# DANY Views

## President's Message

I would like to welcome everyone back to the start of our new year. I hope everyone had an enjoyable summer. As we begin our second decade, I want to make sure that everyone is aware of our venue change. As you should all be aware of by now, we will no longer be meeting at The Milleridge Inn. Due to the property being sold, we will now be meeting at The Holiday Inn off Sunnyside Blvd. Dinner will still be available at \$40 and the food offerings will be quite good. If you

have any questions, please let us know. Also, please note that the September meeting will take place on the 10th. This is due to a conflict at the

## President's Message

hotel. The October meeting will also take place the second Thursday of the month rather than the third. After that we will be

back to our regular time.

This year promises to be very exciting with new sponsors and continuing education. I would also like to thank everyone who attended our June 10th Anniversary party. By all accounts, everyone had a great time. The Executive Board has already started planning for next year's event. If you missed the party, you missed a great evening. I look forward to seeing everyone September 10th.

## What Would You Do? Thinking Outside the Box

We are pleased to present our monthly installment of "What Would You Do? Thinking Outside the Box." Each month we'll present an optically related topic. Maybe it's a question you need answered, a 2<sup>nd</sup> opinion regarding how you would handle or advise a patient or how you solved a special visual challenge or need for a patient. We'll describe the details in our newsletter and then discuss the topic at our upcoming meeting and get your feedback on the subject. If you have an optical topic you'd like to discuss and would like to share it with us, please let us know so we can present it in future newsletters.

### Optical Topic #20

What would you as the Ophthalmic Dispenser tell your patient in order to convince them to upgrade to digital lenses.

### What would you do?
